<Study Title>

<PI's Name & Institution>

<Background>

- Aims of study

- Hypotheses to be tested

- What gaps does this proposal aim to fill?

- Literature review

<Methods>

- Study Design
- Statistical Methods
- Power calculation
- Total number of patients/sites required?

<Fundings & Output>

- Need for funding?

- Publication targets

<Timeline>

- Targeted time for start date
- Target ethical approval date
- Target completion date

<Challenges foresee & Solutions>

- Potential limitations of proposal

- Potential challenges

- Potential solutions
