<ul style="list-style-type: none">• Chair: Sang Do Shin (Korea)• Vice Chair: Marcus Ong (Singapore)• Secretary: Jae Kwang Kim (Korea)• Pairoj Khruengkarnchana(Thailand)• William Woo (Hong Kong)• Nik H Rahman(Malaysia)• Matthew Ma (Taiwan)• Hideharu Tanaka (Japan)	<ul style="list-style-type: none">• Ron Pirrallo (USA)• Ritu Sahni (USA)• David Cone (USA)

1. Asian EMS Council

– Current Status/Focus

Mission of Asian EMS Council

1. Promote sharing of experience of other EMS systems
2. Act as advocates for EMS to different communities
3. Create opportunities for education and training for EMS physicians and providers
4. Collaborate with each other for advancement of EMS systems
5. Undertake research projects on pre-hospital care

Currently Working on

Comparison of EMS Systems of Pan-Asian Countries

2. Proposed Affiliation with PAROS

To Establish and Maintain Links with non-PAROS

Contributing Countries

- PAROS Contributing Countries must contribute at least the mandatory core set of variables set for the Network upon joining the Network (with endorsement from PAROS EXCO)
- Recognise some countries (e.g. due to policy focus, governmental focus, lack of funding) are unable to contribute immediately but are still keen to be part of the research network
- Affiliates can try out pilot data collection using paper CRFs

Interested Countries

- Saudi Arabia
- New Delhi
- China (Shanghai, Wuhan)
- The Philippines
- Hong Kong
